- **With continuing discussions about improving and simplifying the forester licensing renewal process, the FLB Chair Dave Kittredge (DK) drafted a proposal to change forester licensing from an annual renewal to a three year renewal period. The board reviewed the proposal and made minor adjustments. DK will include FLB members on the proposal and send it to the Mass Forest Alliance to see if they can help and create a strategy for solving this forester hardship. Peter Church stated he would look into having a legislative change.**
